TULSA RIOTING LONG BREWING UNHEARD BY THE AUTHORITIES

Bad element and lawlessness resulting in Race war, and promised regeneration described.

BY RICHARD GAYLORD, SPECIAL TO THE TELEGRAPH NEWS SERVICE.

TULSA, June 2—In the streets of this whole city today, and in the surrounding areas, bloodshed and destruction are being carried on with the most brutal and unprecedented savagery at which the world has ever been drawn. In the past week there have been hundreds of deaths, and the number of wounded and missing is unknown. The city is in a state of chaos and confusion, with the authorities unable to control the situation.
