and that the Chamber believes that the city has no alternative but to appeal to the Dutch Board of Trade.

The Chamber makes the following suggestions:

1. That the city should seek the advice of the Dutch Board of Trade on the matter.

2. That the city should take steps to protect its interests in the future.

3. That the city should consider the possibility of seeking redress through international courts.

4. That the city should consider the possibility of seeking compensation from the Dutch government.

5. That the city should consider the possibility of seeking compensation from the Dutch Board of Trade.

The Chamber further recommends that the city should:

- Take immediate action to protect its interests.
- Seek the advice of legal experts.
- Consider the possibility of seeking redress through international courts.
- Consider the possibility of seeking compensation from the Dutch government.
- Consider the possibility of seeking compensation from the Dutch Board of Trade.

MEMBERS MEET IN A GREAT HURRY

London, July 14—A meeting of the British government and the British manufacturers was called to order yesterday morning by the British government, in order to consider the situation of the country's supply of coal.

During the meeting, the British government and the British manufacturers discussed the situation and decided to take immediate action to protect the country's supply of coal.

CHICAGO BASKET BALL GAME TIED 18-18

Chicago, July 15—The city council has voted to reduce the salaries of the city's employees by 10%.

This decision was made after extensive discussion and consideration of the city's financial situation.

The city council took this action in order to reduce the city's debt and to provide for the future needs of the city.
