WRECK DEATH TOLL GROWING
Fire Known to Have Been Killed Near Crawford, Neb. Several of Injured Reported to Have Died.

TRAIN WENT THROUGH BRIDGE AT Least Thirty-Five Were Injured in Collision.

Rescuers Work Frantically to Save Imprisoned Passengers.

Central, June 15.—The known dead numbered 19 and 35 passengers, train, when the four-mile long train, reaching 1,000 feet, struck the train of the three trestled coaches in the north. Identification was impossible.

Several were rescued in huts while missing a hospital at a distance of 14 miles. At least three persons were reported severely injured on the train.

The dead, according to service and telegrams from central, were in the last two of the three passenger cars, and many persons were rescued from the area of the wreck.

The wreck occurred near the east side of the bridge. Fences were downed where the train passed.

Wichita, Manhattan and Wellington

SAYS PLAN WILL FAIL
Governor Allen Refuses to Take Labor Democtatic Sermon. Governor Allen refuses to take the charge that he abetted the labor movement to-day, in Columbus with a speech to the Democtatic convention. No matter how his enemies may interpret his speech, Governor Allen, at the last official convention of the Democtatic Party, will not follow the program of labor and will not be the man to get the labor票.

Says plan will fail.
