FURTHER, YOUR AFFIANT STATES, IN SUPPORT OF THIS APPLICATION AND FOR SHOWING THAT THERE IS PROBABLE CAUSE FOR THE ISSUANCE OF A SEARCH WARRANT, AS FOLLOWS:

THAT, your affiant is Meghan Bowman, a certified and commissioned peace officer in and for the State of Oklahoma and is currently employed as a Special Agent for the Oklahoma State Bureau of Investigation (OSBI). Your affiant has been in Law Enforcement for 5 years, working major felony criminal investigations for the OSBI. Your affiant's training and education has included a Bachelor Degree in Accounting from the University of Oklahoma; the State of Oklahoma Basic Peace Officer Academy; and the OSBI Agents Academy.

THAT, on October 13, 2011, the body of CARINA SAUNDERS was found behind a homeland store in Bethany, Oklahoma County, Oklahoma. Her death was ruled a homicide by the Oklahoma Medical Examiner's Office. In April of 2013, the Oklahoma State Bureau of Investigation was requested to investigate the death.

THAT, on January 30, 2019, your affiant was assigned the case. Your affiant reviewed the materials in the case and performed interviews and investigative activities.

OSBI Special Agent Jim Ely MB
THAT, on June 6, 2016, ELY interviewed MARJORIE QUEEN, SAUNDERS' mother. QUEEN stated she thought SAUNDERS' email was kmkcarina@yahoo.com.

THAT, on September 27, 2016, OSBI Special Agent JIM ELY served a search warrant to Facebook and received SAUNDERS' Facebook records. On September 8, 2020, Your Affiant reviewed SAUNDERS' Facebook records and found the following:

THAT, SAUNDERS had a registered AOL email account, kmkcarina@aol.com, and a registered YAHOO email account, saunderscarina@yahoo.com on her Facebook account.

THAT, on August 15, 2011, SAUNDERS sent a Facebook message stating "no phone". SAUNDERS stated she figured out how to text from her yahoo email account.

THAT, on September 27, 2011, SAUNDERS posted a status stating "it sucka not having a phone or a car".

THAT, through my training and experience, people without a phone will try other means for communications, such as Facebook Messenger and email.

SAUNDERS was used Facebook Messenger to communicate and was trying to figure out how to text using her email.

THAT, based on my training and experience, I know that pictures and video files can remain indefinitely on digital storage devices or in online "cloud" storage accounts until deleted or overwritten. I also know a suspect may try to conceal criminal evidence, and he or she might store criminal evidence in random order with deceptive file names. This may require searching authorities to examine all the stored data to determine which particular files are evidence or instrumentalities of crime. This sorting process can take weeks or months, depending on volume of data stored.

THAT, the undersigned affiant submits based on the facts set forth in this affidavit, that there is probable cause to believe that the AOL Account was used for Murder, Oklahoma Statute Title 21, Chapter 24, Section 701.7.

THAT, the statements in this Affidavit include information provided by witness testimony. Since this affidavit is being submitted for the limited purpose of securing a search warrant, I have not included each and every fact known to me concerning this investigation. I have set forth only the facts that I believe are necessary to establish probable cause to support the issuance of a search warrant.

THAT, based upon the above-described facts, Your Affiant respectfully requests that a search warrant be issued to AOL (Oath Holdings) located at 22000 AOL Way, Dulles, VA 20166, for the AOL account kmkcarina@aol.com, and the items listed above in sections 1 through 4.
